“Build a Home” Sponsor Opportunity A Team-Building Competition That Gives Back!

Join us in a creative and inspiring way to support Housing Trust Fund Ventura County—as a “Build a Home” Sponsor. Play a key role in our 2026 Compassion Campaign by helping to decoratively paint community Lending Libraries (prior to the event) to be placed at affordable housing developments (after the event), funded in part by Housing Trust Fund VC.

This fun and lively competition has sponsors vying for bragging rights as Compassion Campaign 2026’s “Paint It Forward” winner. The winner will be chosen by crowd vote from participating entries showcased during the Compassion Campaign on the evening of May 7th. **Only six sponsorships are available—make sure your team grabs one!**

What’s involved with being a “Build a Home” sponsor?

Your team will receive a raw wood Lending Library in the shape of a home, delivered directly to your place of business. Your mission: **“Paint It Forward” through creativity and artistry!** What does HOME mean to you? Bring forth your creativity to win over the crowd and take home the coveted “2026 Paint It Forward” award.

What you’ll need:

Turn this into a team-building experience filled with laughter, creativity, and community impact.

- Durable outdoor, light-colored, water-based acrylic paint
- Paint brushes and other creative tools (stencils, sponges, painter’s tape – go wild!)
 - While attachments are a fun addition and are welcome for judging during the event; keep in mind they will be removed for placement at our developments to ensure each library can withstand outdoor elements.
- Tarp or drop cloth
- At least 2 team members (certainly more can join in) ready to have fun and get a little messy!

This is a **friendly competition** – bring your best brushes and creative minds to the library. Prizes and bragging rights are on the line!

Why become a “Build a Home” sponsor?

- Create a beautiful, lasting impact in our community
- Strengthen your team’s bond with a shared creative project
- Be featured as one of the Build a Home sponsors during the evening and highlight your company’s support of affordable housing

Only 6 spots available – this opportunity will go fast, grab your team-spot today!
